

From Farm To Table (and a little in between) The President's Mystery Tour

My kind of Farm Girl

The Invitation

Join us for the first BATOC cruise of 2019 as we caravan through some new back roads to wind our way through farm country and learn the real meaning of Farm to Table at the California Agriculture Museum in Woodland. A fabulous collection of truly amazing vehicles from tractors and hay squeezers to plows, dozers, steam engines and antique busses. Everything that got it from farm to table.....in the good old days.

And then, of course, we'll have a fabulous afternoon lunch from the farms of Northern California in our destination town of Winters. The restaurant itself will remain a secret.

Saturday, January 19

The Mystery Part

The "Mystery" part of our tour will be the route we will take to our destination. After all, anybody can take the freeway and get lost in the crowds...Car club outings are all about getting lost on fabulous back roads and highways. So, we will wind our way North through the back roads and explore the beautiful scenery of the farm fields and towns that dot the landscape...taking many pictures along the way for our next calendar.

The Details

We will leave the Buttercup parking lot at 9:30 AM for our approximate 1.5 hour drive to arrive at the museum approximately 11:30. We will tour the museum until around 1:00 and then make our way to our secret lunch location in Winters.

Please call or email Dave to RSVP by Wednesday Jan. 16th
